A SATISFIED CUSTOMER

A Canadian Customer states:- "John Henry and Norman Francis are splendid glads, but your Queen of Reds are wonderful. We had one spike 36 inches long when cut, with six enormous flowers out. We consider it the best crimson we had this past season and that is saying something."

STURGIS, Ex. 91.0 Com. 91.4-P. May 6, 92 days, light scarlet red, bases of lowers spectrum red. Each 30c, Doz. \$2.50.

MYERS, Mrs. Ercel B., Ex. 87.6, Com. 88.7 90 days. Cameo pink blending to tips and edges of amaranth pink, bases of lowers cream white, rolled tips, frosted lily form, 8 to 10 open, 3 to 5 spikes from one large bulb. One of the cut and come again variety. Each 50c, Doz. \$5.00, Per 100 \$20.

NORMAN FRANCIS, Ex. 94.4, Com. 89.4 P. May 6, 95 days. Cream white tinged safrano pink, throat empire yellow, lowers with heavy feather of nopal red and tracings of lighter tint, 10 or more open. Each 50c, Doz. \$5.

Watch for my new introductions each ensuing year. I have some extra fine ones in the making.
